Sub: Call for Research Proposal for the fiscal year of 2021-22.

Dear Colleagues,

Every year UGC provides financial assistance for research works conducted by the university teachers. In this connection interested teachers are invited to submit their research project proposals in prescribed format for the fiscal year 2021-2022. Subject to the allotment of UGC fund in 2021-2022 fiscal year, submitted research project proposals will be assessed by the CASR and the applicants will be informed of the award/final decision of the assessment.

Teachers are requested to submit 13 (thirteen) sets (including softcopy to office.dre@duet.ac.bd) of proposals to the office of the Director (Research & Extension) by 10 February, 2021 through the head/director of the respective Department/Institute/Research Center.

Eligibility:

1. All teachers except lecturers can apply individually or jointly.
2. Lecturers holding Ph. D degree can apply as well.

Project duration, expenses and conditions:

1. The duration of the project is 1 (one) year.
2. The maximum expenditure of the project is 300,000 (three hundred thousand) Taka.
3. All the financial issues (Including the honorarium of the Project director) must be completed within June 30, 2022.
4. The researcher will have to submit report on the progress of the project to the office of the Director (Research & Extension) every 4 (four) months.
5. Project directors remuneration should not exceed 50,000.00 (fifty thousand) taka.
6. Computer equipments (Desktop/Laptop/Printer etc.) should not be included in project budget.
7. Research Assistant must have a minimum CGPA 3.00 out of 4.00 in 4 years Bachelor Degree or equivalent.

General information, terms and conditions and prescribed forms are available at website (www.duet.ac.bd/research-and-extension/).
